If you (or someone you know) survived the Holocaust, you may qualify for special benefits and services, including:

- Subsidized home care/housekeeping
- Emergency financial assistance
- European reparations
- Social programming specifically for Holocaust survivors

If you live in the New York City area, Selfhelp Community Services' Holocaust Survivor Program may be able to connect you with these benefits. For more than eighty years, our program has been connecting Holocaust survivors to the care they need.

If you would like to speak with one of our trained social workers, please do not hesitate to contact us at **212-971-7795** or email us at hspoutreach@selfhelp.net.

We look forward to hearing from you soon!

Sincerely,
